

Staff Report

TO: Honorable Mayor and Members of the City Council
FROM: Robert L. Vestal, City Engineer | Public Works Director
BY: Siomara Giroux, Management Analyst
DATE: July 21, 2026
SUBJECT: Public Hearing – Placement of Delinquent Solid Waste Handling Services Charges on the Riverside County Auditor Property Tax Rolls

Description: Adoption of a Resolution to place the delinquent service charges on the Riverside County Property Tax Roll of the identified parcels.

Motion:

If the City Council determines that the staff's recommendation is appropriate, the following motion is provided:

Hold a public hearing, waive the full reading, and adopt by title only, "A Resolution of the City Council of the City of Beaumont, Approving the Collection of Delinquent Solid Waste Handling Service Charges and the Property Tax Roll.

Recommendation:

Staff recommends that the City Council conduct the required public hearing and adopt a resolution authorizing the collection of delinquent solid waste handling service charges on the Riverside County property tax roll. The City has prepared the legally required report identifying affected parcels and provided proper notice in accordance with Health and Safety Code Section 5473. Adoption of the resolution will allow the delinquent charges to be collected on the tax roll in the same manner as general property taxes, following consideration of any objections presented during the hearing and approval by a two-thirds vote of the City Council.

Discussion:

Pursuant to City of Beaumont Municipal Code Section 8.12.240, the City may collect delinquent fees or charges for commercial, single-family residential, and multifamily residential solid waste handling services on the property tax roll for those premises. In accordance with Health and Safety Code ("H&S") Section 5473, the City has prepared a

written report that contains a description of each parcel of real property with delinquent fees and charges. This report is on file with the City Clerk and is attached as Exhibit A to the proposed resolution authorizing the collection of the delinquent fees and charges on the tax rolls. By approving the proposed resolution, the City Council would be authorizing the City to collect delinquent solid waste handling charges and fees on the tax roll in the same manner and at the same time as the general taxes.

Prior to approving the placement of the delinquent service charges and fees on the tax roll, H&S Section 5473 et seq. requires the City Council to conduct a public hearing. Notice of this public hearing was provided in accordance with H&S Section 5473.1 by publishing a notice of the hearing in the Press Enterprise on June 27, 2026, and July 4, 2026. The notice of the public hearing was also mailed to the owner(s) of each parcel for which charges will be placed on the tax roll.

During the public hearing, the City Council shall hear and consider all objections or protests, if any, to the report and the placement of the charges on the tax roll. If the City Council finds that a majority of the parcel owners subject to the charges have submitted protests or appeared to protest, the report shall not be adopted, and the charges must be collected separately from the tax roll. Upon the conclusion of the hearing, the legislative body may adopt, revise, change, reduce, or modify any charge or overrule any or all objections. The resolution placing the charges on the tax roll must be approved by a two-thirds vote of the City Council.

Fiscal Impact:

City staff estimates the cost to prepare this report was \$300.

Approval of the resolution and collection of delinquent solid waste service charges and fees on the Riverside County Auditor tax rolls will allow for the cost recovery of approximately \$499,594. These fees will be collected and remitted to the contractor Waste Management in accordance with the City's franchise agreement. The City will retain the cost to administer the tax roll lien process from the amounts received on property tax collections.

Alternatives:

Not applicable.
